Trifold Folio Stand for iPad 2 with auto on/off feature

Triple Duty for Your iPad 2

Part # P-F8N650

Triple Duty for Your iPad 2

Easy as 1, 2, 3
Envelop your iPad2 in elegance, with a clever tri-fold cover that transforms into a multi-level stand. It instantly goes from protecting your screen to propping up your iPad2, with versatile angles for typing and viewing.

A Perfect Fit
The fashion-inspired case hugs your iPad and protects it from scratches and scuffs, with a cover that folds to protect the screen and an inner lining that's soft and smooth against your device. Lightweight and form-fitting, it slips easily into another bag without bulk.

Auto on/off functionality
Open the folio and wake up your iPad2 automatically with the built-in sensor magnet or close it to turn it off. Elastic strap enables secure closure on the go.

Features

- Auto on/off functionality
- Elegant, fashion-inspired finish
- Landscape viewing angle
- Low angle for typing
- Durable construction protects from scratched and scuffs
- Folding cover for screen protection
